## TECHNICAL SKILLS

### PROGRAMMING

- C++
- C
- Familiar: Python, Java

### TOOLS AND FRAMEWORKS

- HTML
- CSS
- Javascript
- Git
- MySQL
- Visual Studio
- Angular + NestJS
- ReactJs
- MongoDB

## INTERPERSONAL SKILLS

- Leadership Skills
- Analytical and Creative Thinking
- Problem Solver

## Course Work

- Object Oriented Programming
- Data Structures and Algorithms.
- Database Management System.

## INTERNSHIPS

### YBI Foundation | Machine Learning with Python Intern | Jan 2023 - Feb 2023 | Remote

- Developed and implemented machine learning models to predict customer churn, resulting in a 10% improvement in customer retention rates.
- Conducted exploratory data analysis and data visualization to identify trends and patterns in the data.

## PROJECTS

### URL Shortly [Project Link](#) [Code](#)

May 2023 - June 2023

Full Stack Project using: Node.js, MongoDB, HTML, SCSS and JavaScript

- Website returns the shortened URL for long URL on request.
- Mobile Responsive Frontend
